

The Capital City Ringers handbell ensemble needs a new “home”!

After over 30 years, the Capital City Ringers (CCR) is seeking a new rehearsal space. Our new hosts will be recognized in our concert programs and will have a significant supportive role as CCR pursues the goal of bringing high-quality musical experiences to diverse audiences.

Our ideal space would include the following:

- Well-lit rehearsal space of at least 28' X 36'
- Access to the building on most Monday evenings from late August to early May
- Parking for 15 vehicles during rehearsals
- Stair-free access (elevator OK) for bringing equipment in and out, with a place to load and unload our trailer
- Secure storage space for equipment
- Access to restrooms
- Good acoustics and a small seating area would be helpful

CCR is an auditioned community handbell ensemble with 15 volunteer ringers and a director. The ensemble has performed concerts in the local area and throughout Michigan and beyond. CCR has also performed at various civic events, weddings, and at many other functions.

As a 501(c)(3) organization, in-kind donations of space for CCR rehearsals would be tax-deductible, if applicable.

If you or anyone you know has a space that might be suitable on either a temporary or long-term basis, please contact us at info@capitalcityringers.com or call (517) 321-3221. You can learn more about our organization by visiting our website at www.capitalcityringers.com. Thank you!
